Name and title

When ordering embroidery, choose from Script or Block lettering. Block lettering comes in all caps or upper and lower case. Our standard height for all line embroidery is 1.02cm for ALL CAPS and 0.89cm for upper and lower case.

Embroidery orders add ten working days from receipt of embroidery confirmation.

Embroidered garments cannot be returned. Please check your garment sizes and embroidery needs for accuracy.

Basic embroidery tips

NOTE: Embroidery placement is referred to as from the vantage point of someone wearing the garment.

Jackets & Tunics: For best results, please limit total characters (including space) to 16 or less.

Women & Extra Small Jackets: Most logos must be reduced in size and it is recommended that no more than 12 letters are used.

Kids Jackets: Lines on the right or left side must be 10 letters or less. Logos are normally placed in the center of the jacket and may also have to be reduced.

Tunics, Metro and Gusto Jackets: No lines or logos on the right side of the chest.

Bib Aprons: Check upon request.
